Version 1.0 | August 2026

PART 01 / Core Plan Additions

1. Account Activation

- Minimum Account Activation: \$10
- Maximum Account Activation: \$1,000
- सभी business और deposit amounts USDT/USD Value में calculate होंगे।

2. ROI Income

- Daily ROI: 1.25%
- Maximum ROI Limit: 2X
- ROI Duration: 160 Days

$$1.25\% \times 160 \text{ Days} = 200\% \text{ ROI}$$

User maximum 2X ROI complete करने के बाद ROI cycle से बाहर हो जाएगा।

3. Working Income

- Maximum Working Income Limit: 3X

4. Deposit Fund Distribution

प्रत्येक deposit का 100% fund निम्न प्रकार distribute होगा:

Fund Allocation	Percentage
V2	35%
V3	55%
DAO Partner Pool	5%
Creator	5%
Total	100%

DAO Pool Contribution

प्रत्येक contract deposit का 5% automatically DAO Partner Pool में जाएगा। यह pool हर 7-day closing पर eligible DAO shares के बीच distribute होगा।

PART 02 / DAO Partner Program

5. Maximum DAO Partner Capacity

- Maximum DAO Partners: 300
- प्रत्येक qualified DAO Partner एक slot occupy करेगा।
- Removed/Expired partner का slot दोबारा available हो जाएगा।
- Available slot पर नया qualified user DAO Partner बन सकेगा।

Description	Count
Maximum DAO Partners	300
Removed Partners	10
Remaining Partners	290
New Available Slots	10

इस स्थिति में 10 नए users DAO Partner qualify कर सकते हैं।

6. DAO Partner Qualification Period

User को अपनी Joining Date से 15 Days के अंदर DAO qualification complete करनी होगी।

Qualification Option	Required Business
Option A - Direct Business	\$3,000 Direct Business
Option B - Matching Business	\$10,000 Matching Business

दोनों में से कोई एक criterion complete होने पर user DAO Partner qualify होगा।

7. Base DAO Share

- DAO qualification complete होने पर user को 1 Base DAO Share allot होगा।
- यह Permanent Share नहीं होगा।
- Base Share की initial conditional period 160 Days होगी।
- इसका continuation user की first 90-day activity पर depend करेगा।

Final Share Name: Base DAO Share - 160-Day Conditional Validity

8. Qualification Business Double Count नहीं होगा

DAO qualification के लिए इस्तेमाल किया गया business Extra Shares में दोबारा count नहीं होगा।

Matching Qualification Example

- अगर user ने \$10,000 Matching Business से qualification complete की, तो उसे 1 Base DAO Share मिलेगा।
- उसी \$10,000 पर 4 Extra Shares नहीं मिलेंगे।
- Extra Share calculation qualification के बाद आने वाले नए Matching Business से शुरू होगी।

Direct Qualification Example

- अगर user \$3,000 Direct Business से qualify करता है, तो उसे 1 Base DAO Share मिलेगा।
- Qualification के बाद आने वाला Matching Business Extra Shares में count होगा।

PART 03 / Live Extra DAO Share System

9. Extra Share Rule

हर \$2,500 Matching Business = 1 Extra DAO Share

Eligible Matching Business	Extra DAO Shares
\$2,500	1 Share
\$5,000	2 Shares
\$7,500	3 Shares
\$10,000	4 Shares
\$12,500	5 Shares

Smart Contract Formula

$\text{Extra Shares} = \text{floor}(\text{Current Week Eligible Matching Business} / 2,500)$

केवल complete \$2,500 multiples Extra Shares में count होंगे।

10. Live Blockchain-Based Calculation

Extra Shares daily batch पर calculate नहीं होंगे।

- Business और Extra Shares blockchain transactions के आधार पर near real-time update होंगे।
- Matching Business transaction blockchain पर confirm होते ही value update होगी।
- Dashboard confirmed blockchain blocks/events के साथ sync होगा।
- Business और share values dashboard पर हर कुछ seconds में update हो सकती हैं।
- किसी manual या daily calculation की आवश्यकता नहीं होगी।

Live Example

Live Metric	Value
Current Matching Business	\$10,000
Current Extra Shares	4
New Confirmed Matching Business	\$2,500
Updated Matching Business	\$12,500
Updated Extra Shares	5

11. Qualification and Share Example

Activity	Business	Share Result
DAO Qualification	\$10,000 Matching	1 Base Share
Qualification के बाद नया business	\$10,000 Matching	4 Extra Shares
Current Closing Shares	-	5 Shares

PART 04 / Seven-Day DAO Closing**12. Weekly Closing Cycle**

- DAO Closing प्रत्येक 7 Days में होगी।
- Closing Day: Every Tuesday
- Time Zone: UTC
- Technical Cut-off: Tuesday 23:59:59 UTC
- New Cycle Start: Wednesday 00:00:00 UTC

Weekly Cycle: Wednesday 00:00:00 UTC to Tuesday 23:59:59 UTC

Business और Extra Shares पूरे week blockchain पर live update होते रहेंगे। Tuesday Closing केवल final payout snapshot और distribution के लिए होगी।

13. Tuesday Closing Snapshot

- Total DAO Partner Pool
- Total Eligible DAO Partners
- Total Eligible Base Shares
- Total Weekly Extra Shares
- Total Eligible Closing Shares
- प्रत्येक user के Closing Shares
- Value of One DAO Share
- प्रत्येक user का Final DAO Payout

14. User's Total Closing Shares

User Closing Shares = 1 Base DAO Share + Current Week Extra DAO Shares

Share Type	Count
Base DAO Share	1
Current Week Extra Shares	4
Total Closing Shares	5

15. Value of One DAO Share

Value of 1 Share = Total DAO Partner Pool / Total Eligible Shares at Closing

Total Eligible Shares में सभी eligible DAO Partners के Base DAO Shares और Current Week Extra DAO Shares दोनों शामिल होंगे।

16. User DAO Payout

User DAO Payout = Value of 1 Share x User's Total Closing Shares

Payout Example	Value
Total DAO Partner Pool	\$10,000
Total Eligible Closing Shares	100
Value of 1 Share	\$100
User Closing Shares	5

Payout Example	Value
User DAO Payout	\$500

17. Closing के बाद Weekly Reset

- Current Week Matching Business counter reset होगा।
- Current Week Extra Shares reset होंगे।
- Base DAO Share reset नहीं होगा।
- नया 7-day cycle Wednesday से शुरू होगा।
- Previous Closing और Payout records history में सुरक्षित रहेंगे।

PART 05 / DAO Activity and Disqualification

18. Ninety-Day Activity Condition

DAO Partner बनने की date से अगले 90 Days user का Activity Observation Period होगा।

- इन 90 days के अंदर partner को minimum 1 Extra DAO Share earn करना होगा।
- इसके लिए minimum \$2,500 Matching Business करना होगा।

19. Active DAO Partner Condition

अगर partner first 90 days के अंदर minimum 1 Extra Share earn करता है:

- Partner Status: Active DAO Partner
- Base DAO Share continue रहेगा।
- Partner 160 days के बाद remove नहीं होगा।
- Partner को DAO Income मिलती रहेगी।
- उसका DAO Partner Slot active रहेगा।

20. Disqualification Condition

अगर 90 days complete होने पर user के पास केवल 1 Base DAO Share है और उसने एक भी Extra DAO Share earn नहीं किया है, तो system उसे यह status देगा:

Disqualified - Scheduled for Removal

21. Sudden Removal नहीं होगा

- Partner को 90th day पर suddenly remove नहीं किया जाएगा।
- उसका Base Share original 160-day period तक जारी रहेगा।
- Partner remaining period तक DAO Partner List में रहेगा।
- उसकी existing DAO eligibility Day 160 तक continue रहेगी।

Period	System Status
Day 1	Base DAO Share allotted
Day 1-90	Activity Observation Period
Extra Share earned within 90 days	Active DAO Partner
No Extra Share within 90 days	Disqualified - Removal Scheduled
Day 91-160	Remaining Eligibility Period
Day 160 complete	Share Expired and Partner Removed

22. Final Removal at Day 160

अगर partner ने first 90 days में कोई Extra Share earn नहीं किया है, तो qualification date से 160 days complete होने पर system automatically:

- Base DAO Share expire करेगा।
- Partner को DAO Partner List से remove करेगा।
- Partner की future DAO Income पूरी तरह बंद करेगा।
- उसके Base Share को DAO Pool calculation से हटाएगा।
- उसका DAO Partner Slot खाली करेगा।
- खाली slot पर नया qualified user आ सकेगा।

23. Important Final Rule

First 90 Days Condition is Final

Activity condition पूरा करने के लिए Extra Share partner बनने के पहले 90 Days के अंदर earn होना जरूरी है। अगर first 90 days में Extra Share earn नहीं हुआ, तो Day 90 पर removal schedule होगा और Day 160 पर final removal होगा। Day 90 के बाद की late activity scheduled removal को cancel नहीं करेगी।

PART 06 / Dashboard and System Requirements

24. DAO Partner Statuses

Active DAO Partner	First 90 days में Extra Share earned
Disqualified - Removal Scheduled	First 90 days में कोई Extra Share नहीं
